NEW TEST PROCEDURES (WLTP)

Stated fuel consumption and CO₂ emissions are measured pursuant to EU Regulation 715/2007 in its applicable version. From 1st of September 2018 the Worldwide Harmonized Light Vehicles Test Procedure (WLTP) has replaced the New European Driving Cycle (NEDC). Regardless of the applied test procedure, it is currently still mandatory to state fuel consumption and CO₂ emissions according to NEDC, hence stated values are determined based on the WLTP test procedure and are converted to NEDC for comparison purposes. Depending on your country, vehicle related taxes or other duties may be based on fuel consumption and CO₂ emissions data which differs from that stated here. The provision of additional fuel consumption and CO₂ emissions as determined according to WLTP is currently voluntary until their provision becomes mandatory by law.

Further information on specific fuel consumption and CO₂ emissions of new passenger cars is provided by the ‚Leitfaden über den Kraftstoffverbrauch, die CO₂-Emissionen und den Stromverbrauch neuer Personenkraftwagen‘ which can be obtained free of charge at all points of sale and from the Deutsche Automobil Treuhand GmbH (DAT) or online <https://www.dat.de/co2/>.

BMW ALPINA XB7

Price with ALPINA SWITCH-TRONIC 8-Speed Sport-Automatic Transmission and All-Wheel-Drive
ALPINA 4.4 I V8 engine with Euro 6d-ISC-FCM emission classification and gasoline particle filter.

130,420.16

TECHNICAL DATA

Cylinders		V8
Capacity	cm ³	4395
Bore	mm	89.0
Stroke	mm	88.3
Max output	kW (hp)	457 (621)
at	rpm	5500 - 6500
Max torque	Nm	800
at	rpm	2000 - 5000
Fuel type		98-octane
Emission classification		Euro 6d-ISC-FCM
Acceleration (0 - 100 km/h / 0 - 62 mph)	s	4.2
Top Speed *	km/h (mph)	290 (180)

OFFICIAL CONSUMPTION¹**

Fuel consumption NEDC correlated		
Urban	l/100 km	16.0
Extra-urban	l/100 km	9.7
Combined	l/100 km	12.0
CO ₂ emissions NEDC correlated	g/km	274
CO ₂ efficiency (Germany)		E

ADDITIONAL INFORMATION WLTP**

Fuel consumption WLTP combined	l/100 km	13.7
CO ₂ emissions WLTP combined	g/km	311

* In combination with ALPINA DYNAMIC 21" wheel / tyre combination.

** Stated fuel consumption and CO₂ emissions are measured pursuant to EU Regulation 715/2007 in its applicable version. For more information see page 2.

STANDARD EQUIPMENT

2-axle air suspension

Active Air Stream Kidney Grille

Active protection

Adaptive LED headlights

Incl. BMW Selective Beam (anti-dazzle high-beam assistant) and adaptive cornering lights.

Air breather with side trim in high-gloss chrome

Air conditioning, automatic with four-zone control

Airbags

Front, side and head airbags, for driver and passenger.

Alarm system

The system monitors all doors, as well as the bonnet and the tailgate. It also features a tilt alarm and a backup power siren.

ALPINA SPORT Suspension

Ambient lighting

When it is dark outside, Ambient lighting creates a relaxed, cosy lighting atmosphere in the interior. The Welcome Light Carpet feature, part of the Ambient lighting equipment, illuminates the area in front of the car doors when entering and exiting.

Auto Start Stop function

Child seat ISOFIX attachments, rear

Comfort Access

contains the following functions:

- ▶ Keyless access to the vehicle.
- ▶ Welcome light setting from approx. 3 m distance to the vehicle.
- ▶ Automatic unlocking upon reaching a distance of approx. 1 m to the vehicle (while approaching).

- ▶ Automatic locking upon reaching a distance of approx. 2 m to the vehicle while moving away.
- ▶ Including contactless opening and closing of the tailgates.

Comfort seats, front

A variety of entirely electronic adjustment options for the driver and front passenger mean the greatest possible scope for individual customisation. They allow for seat height, backrest, length and angle adjustment, with separate adjustment options for the upper part of the backrest and the backrest width. On top of that, driver and front passenger can vary their seat depth and thigh support. There is also a height and depth-variable lumbar support, a smoothly adjustable air chamber system for relieving pressure on the lower spine. Active headrests ensure a particularly safe seating position.

Connected Package Professional

- ▶ Remote Services
- ▶ Concierge Services
- ▶ Real Time Traffic Information (incl. Hazard Preview)
- ▶ On-Street Parking Information
- ▶ Preparation for Apple CarPlay (for 1 year)
- ▶ Connected Teaser Package (3 Months: Connected Music, Microsoft Office 365)
- ▶ Connected Navigation
Information:
 - ▶ Valid for 3 years
 - ▶ Please note the terms for the Connected Teaser Package

Remote Services

- ▶ Concierge Services.

STANDARD EQUIPMENT

CraftedClarity glass application in ALPINA Design
handmade sculpted glass elements specifically for the gear lever, iDrive controller, Start/Stop button and volume control.

DAB Tuner
Additional reception of digital radio programs, DAB + capable.

Display key
Comprises: LCD colour display incl. touch control panel, Display option of vehicle status information (e.g. fuel gauge and range, vehicle locking etc.), Includes USB charger cable, Wireless charging of the key from front centre armrest.

Door sill finishers ALPINA, illuminated

Drive Performance Control
with COMFORT+, COMFORT, SPORT, SPORT+ and ADAPTIVE mode.

Driving Assistant Professional
Camera/radar-based driver assistance system with the following functions incl. the contents of option codes 5AS and 5DF:

- ▶ Steering and lane control assistant:
helps the driver stay in the middle of the lane (incl. in narrow passages) using corrective steering interventions (0–210km/h).
- ▶ Emergency stop assistant:
is capable of controlling the vehicle for a short time and stopping it in the event of a medical emergency.
- ▶ Automatic speed limit assistant:
SLA combines SLI with active cruise control (automatic adoption of proactively detected speed limits into the ACC).
- ▶ Lane change assistant:
part of Steering and lane control assistant, for comfortable/automatic lane changing (70–180km/h) The lane change can be overridden at any time. Additionally with activated ACC: system adapts the driving speed to the vehicle in the target lane. Upon completion of the lane change, LSA takes over lateral guidance again.

- ▶ Lane keeping assistant:
with active side collision protection: assists the driver in keeping in lane and actively preventing potential side collisions by means of corrective steering interventions between 70km/h and 210km/h (Lane Change Warning and Lane Departure Warning, side collision warning). Applies to Lane Change Warning and Lane Departure Warning from approx. 20km/h.
- ▶ Crossing traffic warning front:
warns of crossing traffic while leaving/entering a parking space as well as while turning into crossing traffic (up to 7km/h).
- ▶ Evasion aid:
assists in critical approach situations when evading is still possible (30–160km/h).
- ▶ Crossroads warning:
with city braking function: Braking assistance with visual/acoustic warning incl. active brake intervention in the event of a potential collision with intersecting traffic Active in the speed range of 10–85km/h.
- ▶ Wrong-way warning:
detects „no entry“ signs on motorways, at roundabouts and at one-way roads.
- ▶ Steering and lane control assistant:
with active navigation guidance: When the navigation system is active, the vehicle detects upcoming situations when a lane change is required to follow the route to the navigation destination. Camera and ultrasound-based.

Dynamic stability Control (DSC) incl. Dynamic traction control (DTC)

Enhanced Bluetooth with wireless charging

Expanded exterior mirror package

Exterior trim, High-gloss Shadowline

First aid kit and warning triangle

Floor mats ALPINA

Front spoiler ALPINA

STANDARD EQUIPMENT

Harman Kardon Surround Sound System
16 loudspeakers, digital amplifier, Harman/kardon emblems (464 Watt).

Headlining Alcantara Anthracite

Head-up Display

Heat comfort package, front
Comprises:
▶ Heated armrests in the front doors.
▶ Heated armrests in the front centre console.
▶ Steering wheel heating. **Instrument panel, leather**

Interior trim
ALPINA luxury wood with insignia in Silver.

LED fog lights

Legal Emergency Call

Live Cockpit ConnectedDrive in ALPINA Design
Comprises:
▶ 12.3" Control Display with Touch Functionality.
▶ 12.3" Digital Instrument Display.
▶ BMW Intelligent Personal Assistant.
▶ BMW Operating System 7.0
▶ iDrive Controller with Touch Function.
▶ Intelligent Functionalities.
▶ Remote Software Upgrade.

Soft-Close-Doors
Enables the doors to be closed comfortably and securely without much effort and annoying slapping noises.

Luggage-compartment package

Paintwork
Metallic paintwork in standard BMW colours.

Panoramic glass sunroof

Parking Assistant

Production plaque

Roller sunblind, rear side windows

Seat heating, front and rear

Sport Automatic Transmission (8-speed) with ALPINA SWITCH-TRONIC

Sport differential

Steering wheel
SWITCH-TRONIC sport leather steering wheel with Multifunction.

Tyre pressure monitoring

Upholstery
Extended Merino leather.

USB ports

Wheels: ALPINA DYNAMIC 21"

OPTIONAL EQUIPMENT

CODE

SAFETY, TECHNOLOGY AND CHASSIS

Night Vision with pedestrian recognition 6UK 2,016.81

Night Vision with pedestrian recognition provides the driver with a range of vision that well exceeds the beam of light from the headlights, making it possible to identify people and large animals from a significant distance at night. Additionally, the Dynamic Marker Light function of the dazzle-free main headlight selectively illuminates them.

High-performance brake system 208G 1,495.80

With drilled brake discs and high-performance brake pads.
(Special heat resistant brake pads and drilled brake discs can lead to noise discomfort).

Parking Assistant Plus 5DN 462.18

assistance system consisting of Surround View system and Remote 3D View as well as the functions of option code 5DM 'Parking Assistant' and option code 508 'Park Distance Control (PDC)'.

► Surround View system:

offers the camera-based functions Top View, Panorama View and 3D View. Cameras at the front and rear and in the exterior mirrors provide a 360° view around the vehicle including a three-dimensional visualisation. Panorama View front and rear makes it safer to approach intersections and exits. An additional view on the Control Display shows the situation to the right and left of the vehicle. The displayed positioning lines facilitate positioning the vehicle at the stop line. The function is activated by the Panorama View button. Automatic activation is possible via the storage of personal locations (only with navigation). The view towards the front or rear depends on which gear is engaged.

► Remote View 3D:

transfer of static images from 3D View to mobile terminal devices via the mobile phone network (only in combination with option code 6AP 'Remote Services'). In surround view, the vehicle and its surroundings can be viewed from any perspective.

OPTIONAL EQUIPMENT

CODE

CLIMATE AND GLASING

Ambient Air package Air ionisation and scent package provides a pleasant fragrance and improved air purification for the vehicle interior. Intensity of the scents can be controlled in three stages via iDrive controller or via a button in the air conditioning control panel.	4NM 294.12
Sky Lounge Panoramic glass sunroof The Panoramic glass sunroof Sky Lounge creates an atmospheric ambience, especially in the dark, with a light graphic composed of over 15,000 lighting elements. The light design can be switched between the six colours of the Ambient lighting system.	407 756.30
Sun protection glass The sun protection (tinted) glazing for the rear window and rear side windows reduces the degree to which the interior heats up in direct sunlight.	420 436.97
Air conditioning, automatic with five-zone control	4NN 798.32
Auxiliary heating Vehicles equipped with option 536 Auxiliary Heating may exhibit a temporary reduction in power output when driven extremely hard in combination with very high outside air temperatures.	536 1,428.57

Only in combination with 4NN Air conditioning, automatic with five-zone control.

ALPINA RECYCLING

Your BMW ALPINA is part of an all-embracing recycling concept. Recycling demands are already considered early in the development process of a BMW ALPINA. An example of this is in the selection of materials – they are chosen, such that they are environmentally friendly and easily recyclable, using a minimum of resources to do so. Every BMW ALPINA is built so that it is easily and cost-effectively recyclable at the end of its useable life span. All this occurs in close co-operation between BMW and ALPINA. BMW Group has built a European-wide redemption and recycling infrastructure, and require high quality and environmental standards. For return of your automobile for the purpose of recycling, please contact your BMW ALPINA partner. They are ready to help. For further information about recycling firms and redemption locations, please see www.bmw.com.

This is an information brochure which fulfils the requirements of German law. All technical data in this brochure apply to right-hand drive models, additional international units of measure shown in the technical data are for the purposes of information only. The models illustrated in this brochure may show the specifications of vehicles produced for Germany or another market. In part, the specifications include optional equipment and accessories not fitted as standard. According to the specific requirements of other markets or countries, alterations in models, technical data, standard and optional equipment may occur. Not all model versions may be available in your country. For precise information on model features, equipment, fuel consumption and CO₂ emissions as they apply to your country please contact your local BMW ALPINA dealer or importer. Errors and omissions excepted. Subject to modifications. May 2020.
